## We Must Save & Recycle These Items:

\*\* Each dwelling unit will be given "Mahoning Township Recycles", 6 gallon recycling buckets. The following items are mandatory recyclables.

- Clear glass
- Green glass
- Brown glass
- Aluminum Cans

\*\* Each type of recyclables must be placed in a recycling bucket, if available, or can be placed in a plastic bag and tied securely.

**Clear, Green, & Brown Glass:** Rinse items, remove and discard caps, and do not break glass.

\*\*We cannot recycle drinking glasses, mirrors, plate glass, or light bulbs.

**Steel/Tin Cans:** Rinse Items

**Aluminum:** Rinse containers, may crush cans. Aluminum cans can be placed in a recycling bucket or in plastic bags and tied securely.

\*\* Please do not include aluminum foil, trays, or pie plates

**Newsprint, Magazines, Catalogs, & Glossary Inserts:** Bundle, tie, or bag.

**Corrugated Cardboard:** Only domesticated cardboard can be recycled.

## Plastic Recycling Guidelines

**Avoid All of the Following Bottles:** Any bottles having had motor oil, anti-freeze, or any chemical agent in them, and vinyl bottles (i.e. soft plastic squeeze bottles)

\*\*New residents can pick up your recycling buckets at the Township Building Mon-Fri, 7am-3pm.

**We ask for the cooperation of ALL Mahoning Township residents... PLEASE RECYCLE!**

## Recycling

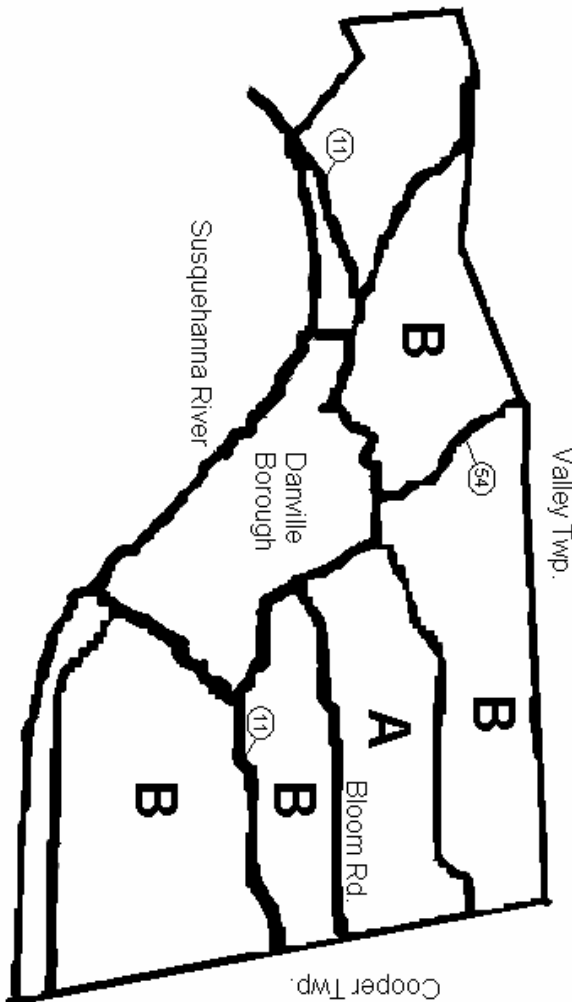

Mahoning Township has a mandatory recycling program with curbside collection, done in Zones A & B the second consecutive Thursday and Friday of each month.

Recycling brochures giving detailed information on the program are available at the Municipal Building.

Recycling buckets may also be obtained at the building during regular business hours.

Commercial business establishments situated within Mahoning Township are required to set up their own recycling program and must submit evidence of recycling arrangements and documentation of the tons of material recycled. New businesses should register with the Township office.

### **Mahoning Township Recycling Zones**

## **Please Recycle!**

Township residents may also take recyclables to JAWS Recycling on Railroad Street in Danville each Thursday from 9am-4pm. Township residents may still take articles on Friday. However, Mahoning Township will not get the credit.

\*\*It is mandatory for all property owners within the township to display the street number of their house. This allows all emergency personnel to swiftly and accurately determine proper identification in times of emergency. Numbers should be placed in a conspicuous location of said property and not be less than three inches tall. They should contrast in color with the background upon which they are affixed in order to be legible from the abutting street, road, or highway.

### **Spring Clean-Up/Dumpster Day**

Mahoning Township holds an annual spring clean-up/dumpster day, which is usually at the end of April.

### **Leaf Collection**

Leaf collection days are Monday-Friday 7am-3pm. The program begins in October and continues through November.

### **Christmas Trees**

Christmas tree collection is held on Mondays and Fridays. This begins after Christmas and continues into January. Trees must be free of debris and curbside by 7am. DO NOT place trees in plastic tree bags.

### **Bush/Tree Trimming**

Mahoning Township currently has a site available for residents to dispose of brush from tree trimming. Residents may obtain a key to our lower shed at the Municipal Building on Thursday and Friday 8am-3pm only, where they will be asked to sign a paper agreeing to the terms for dumping.

No commercial dumping is allowed. Privileges are for residents only.

No branches over eight inches in diameter are allowed.

No grass, leaves, thorns, garden waste, or root bulbs are allowed. Mulch is also available from this site.
